Also please state the exact role of the Ultimate End-User will have in the use of the referenced item(s).
6. What other functions/changes/activities will the Intermediate or Ultimate End User perform on the exported material?

If at any time the above referenced item(s) will be re-exported to a destination/End-User other than that mentioned above, you are required to provide ZERO written notification of any re-export and provide answers to the questions above before the item(s) are re-exported. You are required to adhere to all applicable United States laws and regulations governing the export or re-export of the item(s) listed above. Specifically, you hereby certify that the referenced item(s) will not be used or transferred:

1. For any purpose associated with chemical, biological or nuclear weapons or missiles capable of delivering such weapons, nor will the referenced item(s) be re-exported or otherwise transferred if there is a reason or suspicion that the referenced item(s) are intended or likely to be used for such purpose.
2. To entities or persons debarred or otherwise sanctioned or restricted by the U.S. government as indicated on the Denied, Excluded or Debarred Parties Lists maintained by the U.S. government or entities otherwise subject to embargoes, sanctions or other restricted export programs implemented by the U.S. government. The Customer agrees to cooperate with ZERO to ensure that the referenced item(s) are not exported to any person or entity designated on these Lists or programs.
3. To foreign military, police, security or intelligence agencies, or for use in space, except as specifically permitted under applicable U.S. laws and regulations regarding export or re-export of the referenced item(s).

The Customer understand that the referenced item(s) may be subject to one or more export laws or regulations of the U.S. government, and the item(s) could fall under the jurisdiction of either the U.S. Department of State or the U.S. Department of Commerce. The Customer further understands that it is unlawful to export, or attempt to export, or otherwise transfer, sell or divert ZERO-manufactured item or technical data to any foreign person, whether outside or inside the U.S., for which a license or other written approval of the U.S. Government is required, without first obtaining the required license or written approval from the appropriate government agency.

By signing below, I certify that, to the best of my knowledge and belief that the ZERO item described above shall solely be used for the purposes described in this End-Use Statement, the information given above is accurate and complete, and that I am duly authorized to provide the certifications above and above representations.
