ZERO

ZERO Knows...

STRENGTH TOUGHNESS DURABILITY

ZERO KNOWS that in the industrial world toughness is paramount. You need protection from the elements and durability to stand up to years of use. ZERO's customizable products are strong and durable—we test for it, we build for it and most importantly, we deliver it. So rest assured that the protection of your components, machinery, monitoring equipment, and anything you need encased, enclosed and transported is protected... because ZERO has you covered.

INDUSTRY APPLICATION USES

- Shock Mounted Components
- Protective Cases
- Transport & Storage
- Electronic Enclosures
- Equipment Cases
- Rotable Containers
- Oversized Components
- Custom Hardware
- Monitoring Equipment Enclosures
- Tool Trays and Cases
- MRO Tool Cases

INDUSTRIAL ENCLOSURES

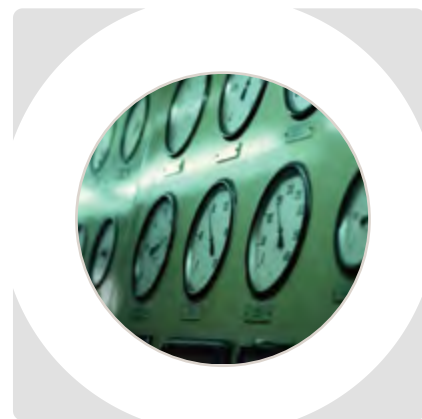

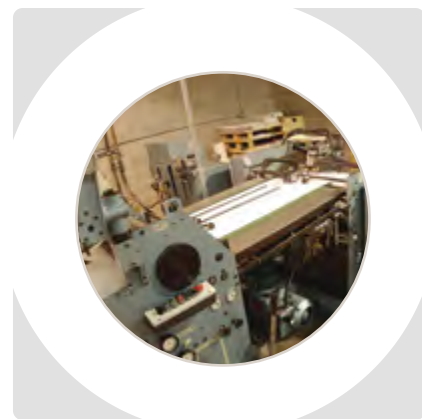

ZERO EXCELS

INDUSTRIAL

ZERO IS THE LEADING protective solutions provider for durable, high-quality aluminum and plastic cases and enclosures. We offer thousands of pre-tooled sizes and can develop any custom design to meet the most demanding industrial specifications.

ZERO is the premier case manufacturer that offers full in-house modification services—eliminating the need for multiple vendors when fulfilling alteration, assembly, accessory and cosmetic requirements.

WHY COMPANIES CHOOSE ZERO

- No Tooling or Set Up Cost on Stock Sizes.
- No Tooling Cost for Thousands of Products.
- Free Trimming to Height Specification.
- In-House Modification Services, Adapting Stock Cans to Special Custom Design Requirements.
- Custom Panels, Inner Lids, Secondary Operations, Foam Design.
- Over 100 Years of Engineering Experience.
- 3D Solid Modeling Capability.
- Five-Axis Laser Capabilities for Precision Modifications and Prototyping.

Industrial-Specific Capabilities

ZERO EXCELS at providing products and solutions that meet the needs of our clients.

Through our extensive knowledge in engineering protection solutions, we apply our abilities to every project, for every client.

RACKMOUNT CASES

- Warrior™
- Scout™
- Val-An 900™
- ZeRAK™

DEEP DRAWN COMPONENTS

- Precision Miniatures
- Stock Cans
- Value Added Enclosures
- Secondary Services

CARRY AND INSTRUMENT CASES

- Valuline™
- Guardian™
- Centurion® Elite™
- Centurion® Polaris™

TRANSIT/STORAGE CONTAINERS

- Transittainer™
- Val-An™
- Pre-Engineered Cases
- Ruggedized Enclosures
- Modular Containers

Protection Solutions Engineered to Meet and Exceed Demanding Industrial Specifications
